Re Cleanys Loss Assessing & Insurance Services

In Oct '04 our business at North Main St  
Wexford got very badly flooded.

We engaged Cleanys to handle the  
insurance claims and in doing so we have  
to say we made an excellent decision.

They did everything very fast and  
very professionally. We were very happy  
with the settlement achieved.

Our advice to anybody with insurance  
claims is that they should engage Cleanys  
as a matter of good business.

Signed
