**To whom it may concern**

I am writing this letter of recommendation for Cleary-Callanan ltd. On my own behalf and on behalf of time Board Of Management of the above school.

We recently had a series of minor leaks, roof damage, and as a result some slight damage to carpets and floor-coverings. Because of the amount of minor claims and the difficulty of even getting them all down on paper we decided to contact Cleary Callanan ltd. One phone call later and everything was sorted. Their assessor called within 48 hours, pointed out other areas for which we were entitled to claim. All the Management board had to do was to sign the form.

Within two weeks we received confirmation that the insurance companies had agreed a figure, subject to our approval, which was promptly given. The cheque arrived this week. There are not many tasks that a principal teacher or a Management Board can delegate with confidence but when it comes to insurance claims I can highly recommend Cleary Callanan.
