To whom it may concern.

Over the past four years, I engaged the Loss Assessing Services of Cleary Callinan in the parish of Athenry. My first dealings with the Company was when we had a fire in the Church of the Assumption . Later we had their services in making a claim after water-damage in Athenry Boy's N.S and more recently in Lisheenkyle N.S. also in the parish.

I found their services personal, very professional and carried out with utmost satisfaction and in a very short time. Mr. Sean Cleary has an excellent team and they do their work in a most competent fashion and from our point of view a very satisfactory settlement of claims.

I can only say that had I known about their services in my former parish, I would have been relieved of a lot of work where I did not feel competent and where I have no doubt the out-come would have been far more satisfactory in the interests of the parish.

It certainly gives me great pleasure to recommend the services of Cleary Callanan.
